

My visit to Gunnersbury Park and Museum

I am going on a school trip to
Gunnersbury Park and
Museum.

This is a picture of the museum,
and it is where the front door is.

A staff member may say
hello.

Some staff wear a band
around their neck like this.

Some staff at the museum may be dressed in clothes from the past which might look like one of these.

Before I do any workshop activities,
I might try to use the toilets here.

This is the entrance to some toilets.
They are on the bottom floor.

This is the girls' toilet.

This is the boys' toilet.

After the morning workshop activities I may eat lunch.

It may be in a room upstairs like these.

If I need a break
I can go to another room.

There are other rooms in the museum that I can go to and I can look at things.

There will be other people in the museum.

I will try to remember to be careful and respectful in the museum.

I will try to remember I will not be able to see everything in the museum.

Before I leave the museum
I may use the toilets again.

This is the entrance to some toilets.
They are on the bottom floor.

This is the girls' toilet.

This is the boys' toilet.
